**PETITION TO MAKE SPECIAL**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully submit this Petition to Make Special the above-identified U.S. patent application under 37 C.F.R. § 1.102(c)(2)(iii) in accordance with MPEP § 708.02, Item IX, "Inventions For Countering Terrorism."

I. Request for Special Status

Special status is sought for the above-identified U.S. patent application because the invention of the subject application materially contributes to countering terrorism. Applicants respectfully request that the application be accorded special status per 37 C.F.R. § 1.102(c)(2)(iii).

**Application Control No. 10/829,181**

**II. Statement Under 37 C.F.R. § 1.102**

Attached hereto is a Statement under 37 C.F.R. § 1.102 explaining how the invention of the subject application materially contributes to countering terrorism.

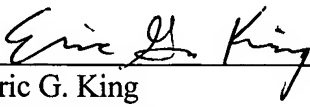

**III. Fee Not Required**

In accordance with 37 C.F.R. § 1.102(c), no fee is required because the basis for this Petition is that the invention materially contributes to countering terrorism.

**Conclusion**

Applicants respectfully submit that this Petition to Make Special the above-identified application is proper under 37 C.F.R. § 1.102 and MPEP § 708.02, Item IX, and request the Petition be granted. If the Office believes that a telephone discussion would be helpful to resolve any questions regarding this matter, he is invited to contact the undersigned at the indicated telephone number.

Respectfully submitted,

  
Eric G. King

**STATEMENT UNDER 37 C.F.R. § 1.102**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully submit this Statement Under 37 C.F.R. § 1.102 explaining how the invention of the Petition to Make Special submitted herewith materially contributes to countering terrorism.

I. Statement Under 37 C.F.R. § 1.102

The invention of the subject application materially contributes to countering terrorism by permitting emergency management and response personnel for local, state, and/or the federal government, including first responders such as fire and rescue personnel, police, and emergency

**Application Control No. 10/829,181**

medical personnel, to be rapidly and reliably notified of the need to prepare or take action in response to a potential or actual emergency.

Respectfully submitted,

Eric G. King
